## Specialist Product Advice and Assessment

As well as supplying products, we can help with advice and assessment. Our staff include 'Trusted Assessors' and product specialists who are always happy to discuss products with you. **We regularly collaborate with OTs and Physiotherapists in joint visits and assessments in a family home or place of education.**

### Bambach 14 day trial

We are able to provide a 14 day trial to ensure that the configuration of the chair meets the users needs and requirements.

**Rental** - key benefits include:

**Flexibility** - short or long-term

**Availability** - most equipment is immediately available

**Peace of mind** - free servicing and guaranteed maintenance if required
