

RENTAL

Paediatric Options

Key rental benefits:

Flexibility

Short or long-term:
rent equipment for as long as you need, whether for days, weeks or months.

Exchange equipment:
equipment can be swapped as needs evolve – whether due to growth or changing function.

Availability

Most rental equipment is immediately available.

Try before you buy

If you are not sure whether a new type of equipment will help, rent it as a trial.

Peace of mind

We'll make sure that your rental is easy with regular free servicing.

Change equipment as your child grows
