Paediatric Hoist Slings

Finding the right sling can be difficult, especially with complex needs.

We can advise on choosing the correct:

- (a) Fixing
- (b) Shape
- (c) Size
- (d) Material

Sling types include:

- In Situ
- Recline (Hammock / Glove)
- Tinkham (for body control)
- Toileting (Dress/ Easy Access)
- Standing (Gait-training)
- Bespoke (Tailor-made)

We offer a FREE assessment to trial the right sling.
