

Paediatric Wheelchairs

✨ Empowering independence for every child ✨

Wide range of options for every need

From standard manual wheelchairs to high-functioning powered models, we can help.

Custom Fit: we ensure the right fit for your child.

Comfort & Safety: we can advise on the right wheelchair.

Accessories: choose what you need.

Self-propelled wheelchair
with leg elevator

Everyday

Our child-friendly transit and self-propelled wheelchairs are designed for school, home and play.

Self-propelled wheelchair
with tray

Choose from a wide range of accessories including: elevating leg-rests, cushions, rear seat bags and more.

Rental

Rental options provide flexibility for:

- **Duration of rental**
- **Changing needs**
- **Short-term problems** - for instance a leg fracture may necessitate a wheelchair with a leg elevator
