About Fortuna

Established for over 25 years the Fortuna Group of companies has supplied independent pharmacies with a wide range of products throughout the UK.

Fortuna Mobility Centre is London's largest mobility showroom and we are committed to continuing to service the needs of our community and customers. As providers of Personal Protective Equipment (PPE) we remain open and available for you during these difficult times and we have created a comprehensive range of products to protect you, your clients and our community. If there is anything else you need which you cannot find in our range, just call us and we'll find it for you.
