

Fingertip Pulse Oximeter

FORTUNA®

A pulse oximeter is a medical device that measures how efficiently oxygen being breathed into our lungs is reaching our blood stream.

The **Alerta Fingertip Pulse Oximeter** is a reliable device that will help you to monitor oxygen levels for everyone in your home.

Simply clip onto your fingertip, press the button and view results of blood oxygen saturation rate (SpO2) within a few seconds.

Insufficient oxygen saturation can cause a range of adverse health conditions.

- ✓ Lightweight and easy to use
- ✓ Reliable and reassuring
- ✓ A painless way to measure how well oxygen is being sent around the body
- ✓ Measures oxygen saturation levels of the blood (SpO2 peripheral capillary oxygen saturation)
- ✓ OLED screen
- ✓ Automatic turn off function
- ✓ Low battery indicator
- ✓ Suitable for adults & children
(not suitable for babies or neonates)
- ✓ Includes lanyard
- ✓ 12 months warranty

£59.00 inc VAT
