

HAND & SURFACE SANITISER

FORTUNA®

MOBILITY
advice • choice • service

- Readily available Hand and Surface Sanitiser with 70% Alcohol content.
- Available in 2.8 Litre Pouch (with tap) or 5 Litre Plastic Container with screw lid.
- Made to exact ingredients. Method and guidelines of WHO (World Health Organisation)
- Safety Sheet available on request.

This hand and surface sanitiser is a liquid not a gel and can be used to refill existing spray or pump dispensers. Existing containers should be washed thoroughly before refilling with Sanitiser. This liquid is flammable so it must be kept away from naked flames.

The sanitiser must not be swallowed and kept away from children.
